

Introducing PASS Release 6.10

PASS Release 6.10 further enriches PASS functionality and improves the procurement process.

Here are the highlights:

User Profile

- When an employee is separated from employment in PeopleSoft, the user's login is automatically disabled in PASS. The supervisor should contact the agency security officer if the user's account needs to be unlocked.
- The oAPT form now allows the user to identify if the acquisition is a Green Procurement.
- The OCP PCard Request Form is now available in PASS with the following options:
 - Add/Remove/Update Program Participant
 - ART submission
 - Increase Limit Request
 - Food Waiver Request

Reports

- OPIF & OAPT fields are now available in the report.
- A PCard report is now available in PASS.
