

## **Introducing PASS Release 6.11**

PASS Release 6.11 further enriches PASS functionality and improves the procurement process.

Here are the highlights:

### ***User Profile***

- When a *Contact Request* (CR) is pending for approval for more than 3 days in the system, the withdrawal of the CR is automatically done. This automated withdrawal action by the system will stop going forward.
- The user's login access will be disabled in PASS based on the termination date.

### ***Reports***

- Project start date & end dates to be added as filter's to the open PO's by contractor report
