

## **Introducing PASS Release 6.13**

PASS Release 6.13 further enriches PASS functionality and improves the procurement process.

Here are the highlights:

### ***Requisitions***

- The OCP approval agency flow has been modified for the agencies DMV (Department of Motor Vehicles) & MPD (Metropolitan Police Department).
- The PCard approval eform will not be automatically withdrawn or escalated by the system.

### ***Reports***

- The “Receiving” reports issue related to the “on behalf of” filter has been fixed.
- The reports by “User” which had the HTML/CSV formatting issues have been fixed.
- The PO Report by Last Approver is now available in PASS.

To run this report: Login to PASS. Click on Manage > Reports > Orders > PO Report with Last Approver.
