

Introducing PASS Release 6.18

PASS Release 6.18 further enriches PASS functionality and improves the procurement process.

Here are the highlights:

Requisitions

- The approval flow has been modified for the following 6 agencies:
 - HSEMA – HOMELAND SECURITY AND EMERGENCY MANAGEMENT AGENCY
 - DCOA – DC OFFICE ON AGING
 - DDOT – DISTRICT DEPARTMENT OF TRANSPORTATION
 - DHCF – DEPARTMENT OF HEALTH CARE FINANCE
 - DPR – DEPARTMENT OF PARKS AND RECREATION
 - DCRA – DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS
- On the requisition form, a new field - *Special Procurement Type* has been added. This field has two options to choose from – Blackman Jones or Special Education Transportation. This field is not a mandatory field. Use this field only if your requisition is in the Blackman Jones or Special Education Transportation category.

User Profile

- When the "No Supervisor" role is added to the profile after the User Maintenance request is fully approved, the PASS system automatically removes the existing supervisor from the profile of the user.
