

## **Introducing PASS Release 6.21**

PASS Release 6.21 further enriches PASS functionality and improves the procurement process.

Here are the highlights:

### ***Requisitions***

The approval flow has been revised for the following 5 agencies:

- Metropolitan Police Department
- Department of Motor Vehicles
- Department of Health
- Department of Corrections
- District Department of the Environment

### ***User Profile***

- The IT project initiation form (PIF) will not be automatically escalated.

### ***Contracts***

- In the Contracts module, the “contact has been deleted” error issue has been resolved.
