

Introducing PASS Release 6.70

Here are the highlights:

- A new field **“Managers Approval Date”** added to Timesheets of DCSS and CAID suppliers
- A new role **“View Services Report”** is created to view timesheet reports
- **“Purchase Order Details Report”** will now include new fields **“OAPT, OPIF and OAPT line number”**
- **“Procurement Type”** and **“Procurement Method”** in OAPT now match the requisition in PASS
- **“OAPT Reviewer Role”** in OAPT approval flow will act as **“Reviewer”** only
- **OCTO Contract listing website** will have a link to the contract document uploaded into **Contract Award Folder** in Contract Workspace
