

Introducing PASS Release 6.73

PASS Release 6.73 further enriches the PASS functionality.

Here are the highlights:

- OCP Training Division no longer appears on the approval flow on the User Maintenance Requests for the Contractors.
- OAG will not appear on pre-solicitation and pre-contract award approval flows for amounts over \$ 1 Million.
- Invoice Payments can be viewed by adding “View Payments” role to the user profile (for OCFO users only)
