

Introducing PASS Release 4.1

PASS Release 4.1, implemented on June 18, 2010, will further enrich PASS functionality and improve the procurement process. Here are the highlights:

Requisition Creation

Now when creating a requisition from a contract for “Time and Materials”, the contract type field will now populate with contract type of “Time and Materials”.

Analysis

Agency-specific QueryAll reporting capabilities are now functioning properly.

Contract Module

The Notification limits are functioning properly. Now the “Number of Days before the Contract Expires” and “Number of Days before Next Notification” display correctly.
