

Introducing PASS Release 5.1

PASS 5.1, released on October 6th, 2010, will further enrich PASS functionality and improve the procurement process. Here are the highlights:

Voucher Processing

When processing vouchers that have a contract number users will no longer experience the “B42” security error message.

Contract Module

Contract requests will no longer be automatically withdrawn from the system after 3 days if no action is taken.

The Amendment Type field is now visible after a contract has expired.

Sourcing Module

The Participant Agreement language in Sourcing has been updated to clarify the Participation statement.

Vendors may not use a single quote character in their login/email address when registering

eForms

The PASS Supplier Maintenance eForm can now pull vendors that were created in the Sourcing module.
